

### The Story of Fatima

In the year 1917, the Mother of God appeared six times to three young shepherd children, Lucia de Jesus Santos, and two of Lucia's cousins, Francisco and Jacinta Marto.

The children were playing when suddenly a bright light shone around them. The lady spoke to them and said

*"Fear not! I will not harm you!"*

*"Where are you from?"* the children asked.

*"I am from Heaven"* the beautiful lady replied.

*"What do you want of me?",* Lucia asked.

*"I came to ask you to come here for six consecutive months, on the thirteenth day, at this same hour. I will tell you later who I am and what I want."*
